

LCN[®]

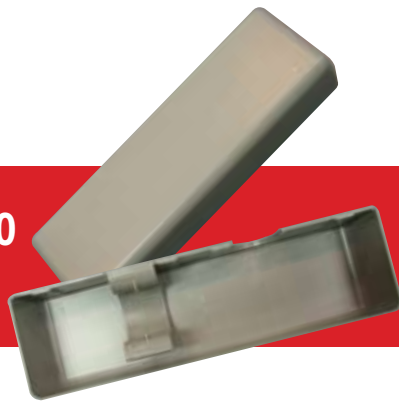

How exposed are you?

Closers without covers
may put you at risk.

LCN[®]

Introducing the LCN 4040 Snap-on Cover.™

The easy-to-install closer cover that won't leave you exposed.

Closers without covers are at risk for vandalism, unauthorized adjustments, and compromised performance and security. The new 4040 Snap-on Cover from LCN will protect your closers from damage and reduced performance, and they install in a snap.

**Now, for a limited time, get a FREE sample
of the new LCN 4040 Snap-on Cover
ALONG WITH A GIFT to keep you covered.**

Call today! This offer won't last long. 800-526-2400
