

LCN[®]

**How exposed
are you?**

**We've got you covered.
Beautifully.**

Introducing the LCN 4040 Snap-On cover.

The easy-to-install closer cover that performs beautifully.

Closers without covers are at risk for vandalism, unauthorized adjustments, and compromised performance and security. They're also not very nice to look at. The new 4040 Snap-On cover will help keep your building looking its best, while protecting your closers from damage and reduced performance. And you can install it in a snap.

Now, for a limited time, get a FREE sample of the new LCN 4040 Snap-On cover to keep you covered.

Call today! This offer won't last long. 800-526-2400
